

## HIGH SCHOOL

# England - Liverpool - Manchester - London

The England tour from Travel and Play provides the full English soccer and cultural experience. This 8 day, 7 night tour offers your high school team the opportunity to train in England, work with two professional coaches and visit Anfield, Old Trafford and Wembley Stadium. In addition, watch an English professional game (*schedule dependent*), play against three teams of comparable ability (optional), and experience England's abundant history and cultural treasures.

Your stay starts in the Roman city of Chester, which is located within easy reach of both Liverpool and Manchester. There are unlimited practice opportunities throughout your stay and you will work with two professional coaches in the Manchester/Liverpool area. Tour the Roman city of Chester, visit Old Trafford and the Old Trafford museum, and visit Anfield, the home of Liverpool Football Club.

The second leg of your tour takes you to London with your accommodation located adjacent to Wembley Stadium and the London Designer Outlet, which offers hundreds of shopping and restaurant options. Your hotel is strategically located to provide easy access to Central London — 15 minutes by train. Visit Wembley Stadium, train at the power league Wembley 5-a-side complex, visit the major London attractions including Trafalgar Square, Piccadilly Circus and Big Ben, and watch at least one professional English football game.
