

2018 Iceland Invitational Tournament — Over-30 Men

This 5-day, 4-night tour from Travel and Play offers the opportunity to visit the amazing and unique country of Iceland, play in an international ice hockey tournament, and experience some of Iceland's cultural, scenic and historical treasures. The tournament is open to men's over-30 teams playing at the intermediate- to bronze-level.

The base for your team's training and the tournament is the Egilshöll ice arena, located in Iceland's capital city of Reykjavik and home of Björninn Ice Hockey Club. Your team will practice, play all four tournament games and end your tour with a social event and awards dinner at the rink. Your hotel is located in central Reykjavik — close to restaurants, shopping and many local attractions.

Cultural highlights of your trip include a guided walking tour of Reykjavik and a number of optional sightseeing excursions including the unforgettable Golden Circle tour — featuring Thingvellir National Park, Gullfoss Waterfall and Geysir geothermal area — glacier walking, horse-riding and the Blue Lagoon.
