

Central College England

The England tour from Travel and Play provides the full English soccer and cultural experience. This 10-day 8-night spring break tour offers your team a once-in-a-lifetime opportunity playing against teams from 3-4 English cities, visit world class stadiums, and experience England's abundant history and cultural treasures.

Your stay begins in London, with accommodation located next to Wembley Stadium. Your hotel is strategically located to provide easy access to central London. Train at the Wembley power league 5-aside-complex and visit major London attractions including Trafalgar Square, Covent Garden, Piccadilly Circus, Buckingham Palace, Big Ben, and tour Wembley Stadium. The next leg of the tour takes you north to the city of Chester (via the Midlands) with optional visits to Warwick Castle or Alton Towers.

Chester is a city in northwest England, founded as a Roman fortress in the 1st century A.D. It is known for its extensive, well-preserved Roman walls made of local red sandstone. A Roman amphitheater, with ongoing excavations, lies just outside the old city's walls. Chester is also in easy reach of both Manchester and Liverpool. Visit Old Trafford and/or Anfield, visit Liverpool City Center and watch* a professional soccer game to round out your tour.
