

Germany and Austria

This 7-day, 6-night Germany and Austria ice hockey tour from Travel and Play offers the opportunity to visit two European countries, play against three high-quality competitors and experience some of Europe's cultural, scenic and historical treasures.

Your stay begins in Innsbruck, Austria — the host of two winter Olympic games and a city brimming with futuristic architecture, imperial history, and cozy cafes all set against a backdrop of the Alps. Visit some of Innsbruck's world-famous attractions including the Altstadt, Stadtturm and Triumphpforte, and play your first game against a comparable Austrian team.

The second leg of the tour takes you to Fuessen, Germany — often referred to as the home of German ice hockey. Vist the amazing Neuschwanstein Castle, ride the Tegelberg gondola and luge, enjoy a free day in Fuessen, and participate in a number of optional sightseeing opportunities. Finish off your tour with two games against comparable German teams, and experience the best of German hospitality with social events with the German teams.
